## ENROLLMENT INFORMATION

### What is ValueCare?

ValueCare is a yearly discount program that gives members access to our services at about 50% of normal retail prices. Memberships are valid for one year from purchase date. ValueCare is not insurance and may only be used at our participating locations. ValueCare cannot be used if you wish to bill your insurance for the care you receive at our locations and cannot be used with any U.S. government plan, such as Medicaid or Medicare.

### What is covered under my membership?

Almost all services provided at our clinics are covered, including X-rays. Your membership DOES NOT cover the following: prescription medications, durable medical equipment (crutches, splints), and services performed by outside facilities (such as specialist visits and lab work done outside the clinic). Some types of physicals and immunizations are also not covered.

### Can I renew my membership?

Memberships are renewable and can be purchased online or at one of our participating locations.

### Services include but are not limited to:

- Wound Treatment
- Fractures, Strains & Sprains
- Stitches / Suturing / Stapling
- Flu Symptoms & Sore Throat
